6MM AIRSOFT RIFLE

CZ Bren 805 A1 // A2

We're proudly introducing the CZ 805 Bren assault rifle to the Airsoft world. The A1, long version and the A2, short version. Both versions of the CZ 805 Bren assault rifle are fitted with a monolithic integral Picatinny rail on the top of receiver, and additional rails running on the sides and the bottom of the forend. The adjustable side-folding buttstock can be completely removed if maximum compactness is required. Removing the stock requires no tools and provides easy access to the battery compartment and the quickchange spring guide, allows fast changes to adjust to field regulations. The CZ 805 Bren is available in both black and desert.
