

VMX-24J POWR-LOK

4.5mm
Airguns

The Webley VMX is a classic break-barrel air rifle that cocks with minimal effort. The rifle is powered by a Webley POWR-LOK mainspring. The rifle has an automatically resettable safety catch and anti-beartrap cocking linkage to prevent accidental discharge. The foregrip and pistol grip are textured for optimal handling.

The Webley VMX-24J comes in both black and green.

- POWR-LOK mainspring
- Precision rifled barrel
- Machined scope grooves
- Automatic re-settable safety catch
- Two-stage trigger
- TRU-GLO sight system with micro adjustable rear sight

VMX-24J D-RAM

4.5mm
Airguns

The Webley VMX is a classic break-barrel air rifle that cocks with minimal effort. This air rifle is powered by Webley's D-RAM gas piston, which provides for a smoother cocking action with the added benefit of greater shot consistency.

The rifle has an automatically resettable safety catch and anti-beartrap cocking linkage to prevent accidental discharge. The foregrip and pistol grip are textured for optimal handling.

The Webley VMX-24J D-RAM comes in both black and green.

- D-RAM gas piston
- Precision rifled barrel
- Machined scope grooves
- Automatic re-settable safety catch
- Two-stage trigger
- TRU-GLO sight system with micro adjustable rear sight

VMX-QUANTUM

BARREL EXTENSION TUBE

24J POWR-LOK

4.5mm
Airguns

The Webley VMX Quantum is a classic break-barrel air rifle that cocks with minimal effort. The rifle is powered by a Webley POWR-LOK mainspring. The over-sleeved barrel extension tube allows for a quiet shot making it great for hunting or pest control. The rifle features an 11mm Grooved Dovetail allowing scopes to be attached for an accurate shot.

- POWR-LOK mainspring
- Precision rifled barrel
- Machined scope grooves
- Automatic re-settable safety catch
- Two-stage trigger
- TRU-GLO sight system with micro adjustable rear sight

The rifle has an automatically resettable safety catch and anti-beartrap cocking linkage to prevent accidental discharge. The foregrip and pistol grip are textured for optimal handling.

The Webley VMX-Quantum 24J comes in both black and green.
